Senate Resolution Regarding an *Ad Hoc* Committee to Review the Faculty Handbook

Resolved that the University Senate form an *ad hoc* committee to review the contents of the Faculty Handbook.

This committee will be constituted as follows:

- Four [4] faculty appointed by the University Senate President. Faculty will be chosen following an open call to all full-time faculty; members will be selected from the volunteers so as to represent as many schools as possible.
- One representative of the administrative faculty, appointed by SUOAF
- One representative appointed by WCSU-AAUP
- One academic dean, appointed by the VP for Academic Affairs

The committee’s charge will be:

1. Elect a chair.
2. Examine the current handbook and those of other universities.
3. Review the contents of the faculty handbook to identify what elements are necessary, what elements are unnecessary, and what content should be added (if any). *
4. Report back to the University Senate at the April 2015 meeting. The Senate shall review the report and make recommendations to Academic Affairs.

*This committee is not charged with reviewing the handbook line-by-line, but rather will at the section/policy level.*
