Proposal to Align Course Transfer Policy with other CSUs

Minutes from the March 20, 2013, Deans Council

At the March 20, 2013 Deans Council meeting, all of the Council members supported the proposal to change the minimum course grade necessary to transfer a course taken at another institution from “C” to “C-“.

Rationale

Currently, matriculated students who obtain approval to take courses outside of Eastern, Southern, and Central may transfer credits for courses taken at other institutions with a grade of “C-“ or better. However, students at Western are placed at a comparative disadvantage because they are only permitted to transfer a course with a grade of “C” or better from another institution.

Change in Policy

Revise Western’s policy to take courses elsewhere to align with the other three CSU institutions in the state.
