For University Senate, March 16, 2016

Resolution on Financial Aid:

Whereas, all students at the Connecticut State Colleges and Universities, including qualified undocumented students, pay tuition;

Whereas, 15 percent of that tuition is designated as institutional aid for students;

Whereas, qualified undocumented students are unable to access this institutional aid;

Resolved, that the WCSU Senate supports a legislative solution to the current inequities in access to financial aid for qualified, undocumented students, and urges the Connecticut General Assembly to address this by passing SB 147: AN ACT ASSISTING STUDENTS WITHOUT LEGAL IMMIGRATION STATUS WITH THE COST OF COLLEGE.
